The mission of the Church of the Living God International, Inc. is to fulfill the great Commission of Jesus Christ by establishing churches in every community.

Vision Statement

The vision of The Church of the Living God International, Inc. is to establish churches in every city, state, and country; to build a community of churches in every city that is committed to dynamic true worship and that will cause the power of God to reach the unchurched. We believe that to make an impact on an area with the message of faith and power, it is essential that we strategically place churches in various locations throughout that area.

To effectively achieve this goal, we envision a church membership of a minimum of 75 members to a maximum of 500. When church membership reaches 300 members, steps should be taken to establish a new cell. Within three years, each new cell should become a fully functional thriving church of its own.

Training

Because our vision is to establish churches in every community, we must develop, motivate, and train bible study leaders who will initiate and develop the cell for the next church. We must actively endeavor “to seek and to save that which is lost” as we were commanded in the words of Jesus Christ. We must go into the hedges and highways to compel men and women to come to Him. By so doing, we will fulfill the great commission that Jesus gave to the disciples (Matthew 28:19-20).

We envision people being filled with the Spirit of God. We believe what apostle Paul said, “Every knee shall bow and every tongue shall confess that Jesus Christ is Lord.” (Philippians 2:11) Through prayer, fasting, and dedication, every worship service shall be filled with the dynamic life changing power of the Holy Spirit and every believer will be filled with the power of God (Acts 2:3-4). We are confident that this will make an impact on the community in which the church is located. Each worship service shall reflect our vision by being a place for people to come to receive healing, deliverance, and nurturing through the teaching and preaching of the Word of God, and the ministry of music in song and praise.
